Eisberg is a market leader in Europe and number one in Switzerland and Eastern Europe in the production of fresh convenience salads, fruit and vegetables - supplying customers in 12 countries with a total of around 45,000 tonnes of fresh convenience products per year. With four production facilities in Switzerland, one production facility each in Austria, Poland, Romania and Hungary and a purchasing office in Spain, the Group serves customers from the retail, food service and system catering sectors.

WST Group provides integrated EDI services to Eisberg International. Our integrated solution supports receiving order messages, delivery instruction, delivery and transport data from the bigger clients and our websales system, which is an ecommerce/webshop solution for B2B businesses, connects the company with the smaller clients.
